## Curbed Awards '10: Adventures in Urban Planning

Wednesday, December 29, 2010, by Joey Arak

*It's time to make up a bunch of awards and hand them out to the most deserving people, places and things in the real estate, architecture, and neighborhood universes of New York City. Yep, it's time for the **Seventh Annual Curbed Awards!** Today's topic: parks and urban planning!*

### **Coollest Seat on the Street**

We mean no insult to fans of the classic green New York City bench. But this Chelsea Improvement Company [bench](#) at Tenth Avenue and West 16th Street does fit in quite nicely with the West Chelsea Starchitecture District and its futuristic style.
