Have you been to Klyde Warren Park yet? It just opened last fall and it is definitely our new favorite park. There is something for everyone!

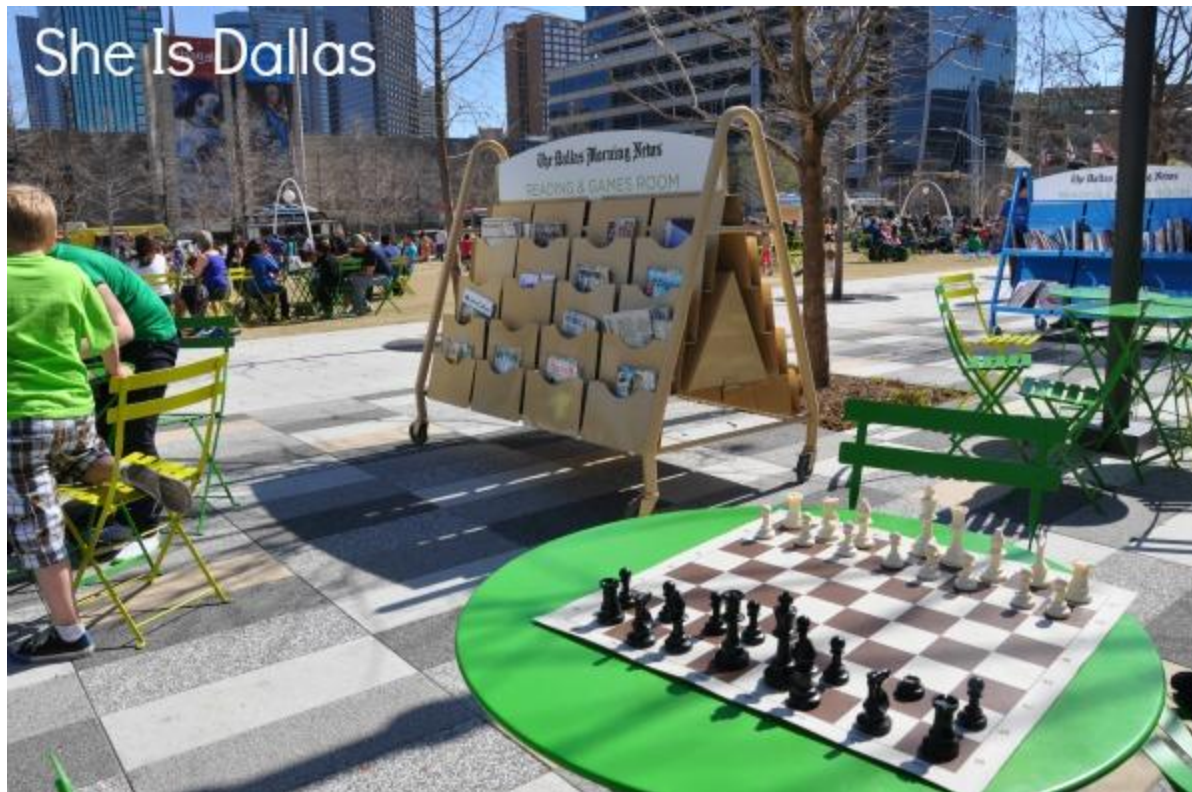

Klyde Warren Park is a 5.2 acre “deck park” green space that has been amazingly built over the recessed part of Woodall Rogers Freeway between Pearl and St. Paul streets in the heart of Dallas. It is truly an engineering feat of wonder. And the resulting park is just as wonderful.

She Is Dallas Info: Klyde Warren Park is located at 2012 Woodall Rodgers Freeway, Dallas, TX 75201. The park is free and open daily from 6:00 am – 11:00 pm. For more information, please visit the [Klyde Warren Park website](#). You can also follow [Klyde Warren Park on Facebook](#).
